Cover Letter and Lists of suggest reviewers

Cover Letter

You should supply cover letter that:

- Concisely summarizes why your paper is a valuable addition to the scientific literature
- Briefly relates your study to previously published work
- Specifies the type of article you are submitting (for example, research article, systematic review, meta-analysis, clinical trial)
- Describes any prior interactions with Highlights in BioScience regarding the submitted manuscript
- Lists any opposed reviewers

Lists of suggest reviewers

Please suggest potential five reviewers for this submission.

Use the fields below to give us contact information for each suggested reviewer. Please note that the journal may not use your suggestions, but your help is appreciated and may speed up the selection of appropriate reviewers.
